Hi Brett,

BY: 27250

I am speaking for myself and brothers and sister when I say, "Thank You" for finding and getting us over \$300,000. Without your guidance and expertise, I would have never even known that this money existed, nor would I have known how to get it. You have been so helpful throughout the entire process. Your one-on-one communication and explanations of the details have made the very confusing and complicated process we had to follow easy to understand. I truly believe you are providing the world a great service. After working with you for a couple of years on this one claim for excess proceeds from the sale of father's estate I can honestly say that you are the perfect person for the job. Your honesty and diligence are greatly appreciated and I am grateful for your professional and personal etiquette. What a blessing for me and my family to have worked with you.

Sincerely,

Matt
